Parental Involvement to Reduce Truancy

Parental Involvement to Reduce Truancy:

So you can help your child succeed.

Philosophy:

In the same spirit of the old saying “It takes a whole village to raise a child”, we believe the issue of Truancy requires the best efforts and collaboration of school leaders, families, and community professionals to address and correct this social problem.

Mission:

To provide comprehensive services to all parents, grandparents, and caretakers to motivate their child to not only attend but succeed in school.

Staff:

- L.P.C.C., Licensed Professional Clinical Counselors
- C.A.M.S., Certified Anger Management Specialists
- Q.M.H.S., Qualified Mental Health Specialists

Program Content:

- In-home and In-school services provided
- Help parent Identify family problems.
- Help parent identify scholastic difficulty.
- Provide assistance with accessing services, support systems, and resources in the community.
- Help parent to motivate child to attend school.
